

On behalf of the Citizens of Monticello, I would like to welcome you to our Town.

Monticello truly feels like home. From our friendly citizens to many fine local shops and stores, you will find what you're looking for in Monticello.

If hunting and fishing is your cup of tea we have plenty of both. If youth sports is what you're after, we have it all from soccer, baseball, softball to football. If just enjoying mother nature is your fancy, you can take advantage of Coopers Ferry Park in downtown Monticello or The Atwood Water Park on the banks of the Pearl River. Or maybe you're a history buff, than you would enjoy touring the Lawrence County Civic Center and Regional Museum.

Come and visit Americana at its best in Monticello, after all "It just feels like home."

Mayor Dave Nichols, II
